

logventus®

logventus is an owner-managed consulting company with offices in Hamburg and Walldorf. We are SAP Silver Partner with focus on SAP Supply Chain Execution (SAP TM, EWM, EM and PI). We develop holistic concepts and solutions in the areas of transport and warehouse logistics for our national and international customers. At logventus you can use your skills and knowledge to make the decisive step of your personal career in the area of SAP Supply Chain Execution. We work in international teams and are characterized by flat hierarchies.

We are looking for a new colleague to join our team at our locations in **Walldorf** and **Hamburg** as soon as possible.

Consultant SAP PI/PO (m/f/d)

Full-time/unlimited

Your tasks:

- Collaboration in our national and international SAP PI/PO customer projects - independently or in a team
- Work directly at the customer's site (3 to 4 days a week)
- Analysis of special integration requirements of technical message exchange in customer processes, as well as specification and implementation of solutions in the supply chain execution environment.
- Willingness to quickly familiarize oneself with new technologies and scenarios and to implement these in a targeted manner in the customer project with a focus on interfaces in the cloud area

That's what we expect from you:

- University degree in (business) informatics, business administration or a similar field of study
- Knowledge of data exchange formats (EDI, XML), especially SAP PI/PO and CPI
- Ability to work under pressure, flexibility and an independent working style
- Commitment and very good communication skills
- Very good knowledge of German and English as well as a high willingness to travel

That's what we offer:

- Motivated colleagues and a collegial and kind way of dealing with each other
- Attractive career opportunities and performance-related pay
- Company pension plan
- Varied employee events
- Compatibility of family and career with flexible working hours
- Company car

Have we aroused your interest? Then we are looking forward receiving your informative application documents, stating your salary expectations and your earliest possible starting date, by e-mail to jobs@logventus.com.
